

TESTOSTERONE preparations for testosterone deficiency in women

The Pan Mersey Area Prescribing Committee does not currently recommend the prescribing of TESTOSTERONE preparations for testosterone deficiency in women.

GREY

Testosterone preparations are not licensed for treatment of testosterone deficiency in women⁽¹⁾.

N.B. Use of testosterone in patients undergoing treatment for gender reassignment is outside of the remit of this statement.

- > This recommendation will be reviewed if a formal application for use is received and prioritised for in-year review.
